

Product: Moulded Cement Sheet - Electrical

Product Name	Moulded Cement Sheet - Electrical
Product type	Cement - sheets, moulded product
Sub-Product type	Electrical
Trading name(s)	
Other name(s)	Busbar trunking, cable troughing, fuse boxes
Product description	<p>Moulded cement sheets were mainly used for cable troughings, fuse boxes, CBD UG substation busbar trunking, etc. They are basically flat cement sheet moulded to suit the application, usually painted silver on the outside.</p> <p>Asbestos has been positively identified in the fibre-cementsheet in distribution fuse cabinets and busbar trunking.</p> <p>Uses Includes fuse backing board and low voltage fuse panel, which are all typically found in the form of bituminous boards.</p>
Build element	Construction
Product identification	
If not painted they are white to grey in colour quite hard, strong, fibrous material.	
Uses Includes fuse backing board and low voltage fuse panel, which are all typically found in the form of bituminous boards.	
Known uses	Uses Includes fuse backing board and low voltage fuse panel, which are all typically found in the form of bituminous boards. Cable troughings, fuse boxes, CBD UG substation busbar trunking,
Asbestos fibre type	
Friable or Non-Friable	Non-Friable
Known Supplier(s)	
Known place of manufacture	
Date / period of manufacture	Pre 1987
Building construction period	1941-1950, 1951-1960, 1961-1970, 1970-1980, 1981-1990
Location	<p>Commercial</p> <ul style="list-style-type: none"> Electrical <p>Industrial</p> <ul style="list-style-type: none"> Electrical
