For Sure Comfort and Fuel Savings

insulate

ASBESTOSFLUF
The perfect thermal insulating material

SUMMER BENEFITS
ASBESTOSFLUF has the double advantage of keeping scorching summer heat out of your home, the inside temperature being up to 15 degrees cooler. It greatly reduces internal summer temperature.

WINTER BENEFITS
The simplest, most efficient, and most economical way of stopping the costly loss of warmth is to install ASBESTOSFLUF insulation, a lightweight, fire resistant mineral wool. Maintains an even temperature throughout your entire home, and reduces annual fuel costs by up to 40%.

ASBESTOSFLUF is fire proof and vermin proof
 ASBESTOSFLUF retains effectiveness forever
 ASBESTOSFLUF insulated homes have an added market value
 ASBESTOSFLUF is a mineral wool with no additives and retards fire
 ASBESTOSFLUF consists of virgin fibre only.
